E CPO 6059 Sect 1599	Democracy and Its Competitors	Anderson	3	T 5-7	AND 0101
This course addresses the ways that democracy can undermine itself from within through the use of non-democratic processes or institutions or through the coming of non-democratic elected leaders. We will address clientelism in Mexico and elsewhere, Peronism in Argentina and the election of Chavez in Venezuela. We will compare these processes in Latin America to the same processes in other new democracies elsewhere in the world.
